*Barbara Riddle, recently appointed Sales Manager for RE/MAX OTB Estates was chosen by RE/MAX due to her continuing multimillion-dollar production and award-winning status with her previous company along with her skills, experience, honesty and integrity. She has a background of over fifteen years experience in residential real estate and nineteen years in income property management and ownership.*

*Holder of a Master's Degree in Education, and with over 23 years experience in education, Barbara recognizes the importance of clear communication, patience and understanding when dealing with her clients. A firm believer in the importance of education, Barbara continuously updates her training in order to provide her clients the latest techniques and strategies required to successfully market and purchase homes in today's complex real estate market.*

*The sale or purchase of a home is one of the most important steps the average person makes in his/her lifetime. It is important to have a realtor who is willing to spend the time and effort required to be certain the transaction is treated with the care and concern it deserves.*
